**OCTOBER 23 - THIRTIETH SUNDAY IN ORDINARY TIME:** The second parable that Jesus tells in Luke 18 addresses attitude in prayer. In contrasting the prayer of the Pharisee with the prayer of the tax collector, Jesus teaches his disciples to pray in humility before God. Jesus again surprises his listeners by showing the tax collector as the example of faith, rather than the Pharisee. Remember that Pharisees were members of a sect of Judaism active in Jesus' time. They taught an oral interpretation of the Law of Moses as the basis for Jewish piety. If anyone would be a model for prayer, a Pharisee was a likely candidate. In contrast, Jesus offers the tax collector as a model for prayer. Tax collectors were collaborators with the Roman authorities in a system that allowed the tax collectors to line their own pockets by charging in excess of the defined taxes. Yet, in this parable, Jesus offers the humility of the tax collector as a model for the prayer of a disciple. The parable reminds us that when we pray, we must remember our need for God in our lives. If we are too full of ourselves, there is too little room for God's grace to work in us.

**OCTOBER 23 - WORLD MISSION SUNDAY:** It is the responsibility of all Christian believers to spread the Gospel and to become involved in today's missionary work, thus sharing in the missionary activity of the Church. Simple ways to become involved are through prayer and through monetary donations. Each Christian community must pray that the Lord's message may spread quickly and be received with honour (2 Thess. 3.1). An understanding of the Church's mission should also lead us to give responsibly to the national collection for World Mission Sunday (from which collection some of our Canadian dioceses still benefit). **Please give generously.**

### **Lunch and Learn! Discover Development and Peace's People and Planet First campaign**

Since last September, D&P have been advocating for Canada to adopt due diligence laws to prevent Canadian companies' human rights and environmental abuses abroad and to help affected communities access justice.

Join us as we continue working on this issue this year and help us mobilize new members so that together we can put our faith into action and build a more just world.

To learn more, join us for a workshop at the Cathedral of the Immaculate Conception, Grand Falls Windsor, on Sunday, November 6, 12:00 noon, following the 11:00 mass. A light lunch will be served. Bring your own mug for tea /coffee. Check out the new resources that have been added to those from last year to help you promote the People and the Planet First campaign in your community.
