Development & Peace - Share Year-Round Giving Program

D&P are deeply grateful for all donations; monthly donations make the biggest difference. Become a Share Year-Round donor, your contribution becomes sustained and predictable and allows them to have lower administrative costs. That means more money can be more reliably invested in their partners. Up until Pentecost, June 5, 2022, new donors and current donors who increase their donation amounts will have their donation matched through a fund supported by religious faith communities. Your \$20 monthly donation will become \$40. To enroll in the program please visit their website at <https://www.devp.org/en/>
